

TLC Ingredients offers many products that formulators can use to develop Safer Choice-compliant products.

Antimicrobial Actives

- Citric Acid
- Hydrogen Peroxide
- Isopropyl Alcohol
- Lactic Acid
- Sodium Bisulfate

Chelating Agents

- Citric Acid
- Gluconic Acid
- Lactic Acid
- Potassium Citrate
- Sodium Citrate
- Sodium Glucoheptanate
- Sodium Gluconate

Defoamers

- PEG Stearates
- Silicone Fluids and Emulsion

Enzymes & Stabilizers

- Borax *
- Calcium Chloride

Oxidants & Stabilizers

- Hydrogen Peroxide
- Phosphoric Acid*
- Sodium Acid Pyrophosphate*
- Sodium Nitrate *
- Sodium Percarbonate
- Sodium Persulfate
- Sodium Tripolyphosphate*
- Tetrapotassium Pyrophosphate

Preservatives & Antioxidants

- Benzoic Acid
- Lactic Acid
- Potassium Benzoate
- Potassium Sorbate
- Sodium Benzoate
- Sodium Citrate
- Sodium Propionate
- Sorbic Acid
- Vitamin E

Processing Aids & Additives

- Acetic Acid
- Adipic Acid
- Ascorbic Acid
- Calcium Citrate
- Calcium Silicate (Microcal ET)
- Carrageenan
- Caustic Potash
- Caustic Soda
- Dextrose
- Epsom Salt
- Fumaric Acid
- Gluconic Acid
- Gluconodeltalactone
- Guar Gum
- Hydrochloric Acid *
- Potassium Silicate (Kasil)
- Lactic Acid
- Magnesium Sulfate
- Malic Acid
- Maltodextrin
- Potassium Carbonate
- Potassium Chloride
- Potassium Citrate
- Soda Ash
- Sodium Acetate
- Sodium Bicarbonate
- Sodium Bisulfate
- Sodium Chloride
- Sodium Citrate
- Sodium Gluconate
- Sodium Lactate
- Sodium Metabisulfite
- Sodium Metasilicate
- Sodium Propionate
- Sodium Silicate
- Sodium Sulfate
- Sodium Sulfite
- Sodium Thiosulfate
- Sorbitol
- Soybean Oil
- Sugar
- Sulfamic Acid
- Titanium Dioxide
- Triethanolamine *
- Urea
- Valfor 100, Zeolites
- Vegetable Oils
- Vinegar
- Xanthan Gum

Solvents

- Dipropylene Glycol
- D-Limonene *
- Ethyl Lactate *
- Glycerine
- Glycol Ether
-DPM, DPM Acetate, PM Acetate
- Isopropyl Alcohol
- Propylene Glycol
- White Oil

Surfactants

- DDBSA
- Glycerol Monooleate
- Glycerol Monostearate
- Isopropyl Alcohol
- Lecithin
- Oleic Acid
- PEG Stearates
- Polysorbates (80,85)
- Sodium Lauryl Sulfate
- Sodium Xylene Sulfonate
- Sodium Lauryl Ether Sulfate/SLES
- Sorbitan Monolaurate
- Sorbitan Monooleate
- Sorbitan Monostearate
- Sorbitan Sesquioleate
